Brief:

Requesting a Text amendment to the Comprehensive Zoning Ordinance to clarify and amend the definitions and uses of "Dwelling, Established Multi-Family" and "Dwelling, Established Two-Family" along with the following, additional conditions:

1. distinguish these "established" uses from other non-conforming uses; and
2. create factors and requirements for the re-establishment of "established" multi-family and two-family dwellings; and
3. determine if these "established" dwellings should be permitted byright in all residential zoning districts where multi-family use is currently prohibited or requires a conditional use; and
4. recommend whether conditional uses, overlays, or other standards should govern the redevelopment of "established" dwellings within residential areas of the city near institutional uses, such as universities, to ensure that the encroachment of student housing into surrounding neighborhoods does not diminish affordable housing stock.

The motion also requests a consideration of the following factors for the re-establishment of previous multi-family dwelling in single/two-family residential districts:

1. Only properties with a "documented legal history" as a two or multi-family dwelling, as verified by the Department of Safety and Permits, the qualifications of which shall be clarified and/or defined, shall be eligible;
2. Re-establishment by right shall be limited to structures containing no more than four units; and
3. There shall be no increase of the footprint nor intensity of the structure. Any expansions of the use, such as the addition of bedrooms via substantial renovation or

increases to the total floor area, shall remain a conditional use; and

4. If the history of the multi-family dwelling includes more than four unit, a conditional use shall be required; and
5. No additional conversions that would increase the number of dwelling units from that which historically existed shall be permitted, (**CITY-WIDE**).
