Certifying the following information to the LADOTD for the period October 1, 2020 through November 15, 2021.

1. That the Parish has performed all interim inspection on all Parish-owned or maintained bridges in accordance with the National Bridge Inspection Standards.
2. That all bridges owned or maintained by Parish have been structurally analyzed and rated by the Parish to determine compliance with the safe load capacity requirements in accordance with the American Association of State Highway and Transportation Officials (AASHTO) Manual for Maintenance Inspection of Bridges.
3. That the Parish has critically reviewed load posting information for all bridges where it has been determined by the LADOTD that the maximum legal load under Louisiana State Law exceeds the load permitted under the AASHTO operating ratings.
4. That the Parish has updated load posting information to reflect all structural changes, any obsolete ratings, or any missing structural ratings.
5. That all Parish-owned or maintained bridges which require load posting or closing are load posted or closed in accordance with the table in the LADOTD Engineer Directives and Standards Manual directive No. 1.1.1.8.; and further, that all LADOTD-supplied load posting information concerning a bridge that has been critically reviewed by the Parish Engineer prior to load posting.
6. When the current list of off-system bridge information is presented to the Parish by the LADOTD and has been reviewed and corrected as necessary, it will be transmitted to the LADOTD within thirty (30) days for bridge closures, load postings and quarterly reports, and on or before the required date set by LADOTD for LADOTD Bi-Annual computer reports.
