43. RESOLUTION - NO. R-20-124 - BY: COUNCILMEMBERS WILLIAMS, BANKS, GISLESON PALMER AND NGUYEN

Brief:

Urging voluntary adherence to the following sanitation protocols:

- (1) That any library, office, or place of business accessible to the public should make a good faith effort to clean and sanitize all high touch, hard surfaces at regular intervals throughout the day in order to protect customers and employees. At a minimum, the following high touch hard surfaces should be cleaned and sanitized no less than once every two hours while open for business:
 - a. Service area tables, counter surfaces, and hard chair backs;
 - b. Doorknobs, handles, display cases, hand railings, elevator buttons, sneeze guards, kiosks, and grocery carts;
 - c. Shared desks and writing utensils;
 - d. Shared electronic equipment, such as tablets, touch screens, phones, keyboards, and ATM machines; and
 - e. Toilet handles, faucets, sinks, and soap and towel dispensers.

- (2) Only products or formulations EPA-approved for use against COVID-19 should be used for sanitizing high-touch surfaces. Such product should not be expired and should be used according to manufacturer's recommendations for concentration, contact time, solution, temperature, ventilation, and drying. All cleaning and disinfection tasks performed should be documented and logs maintained for no less than thirty (30) days.
- (3) Any library, office, or place of business accessible to the public should provide a hand cleaning station at each regularly used entrance and exit points. Such station should provide either soap and water or an alcohol-based hand sanitizer to allow everyone to practice hand hygiene upon entering and leaving.
- (4) Signage and other measures intended to prevent individuals from passing one another at close distances, such as single-direction grocery aisles, should be utilized whenever possible.
